

## 16 and Under Division

### **AGE REQUIREMENT: 16 and Under as of May 1, 2010**

The 2010 **16 and Under Division** will kick off June 5, 2010. As in the past this league will be primarily a weekend league with two or three games each weekend. **All teams may be scheduled for some mid-week dates depending on team and field availability.** Various High School facilities will be used for games. We plan to have a minimum of three locations allowing teams to play closer to their home base.

### **Organizational Affiliations:**

This year's teams will be affiliate with four different National Organizations:

- National Amateur Baseball Federation (NABF)
- Continental Amateur Baseball Federation (CABA)
- United States Amateur Baseball Federation Inc (USABF)
- American Amateur Baseball Congress (AABC/Mickey Mantle & Connie Mac)
- American Legion Baseball

These four organizations have National Tournaments and all SDEBL teams are encouraged to participate in as many events as they can fit into their summer schedule. If you commit to one of the events you will be expected to fulfill your commitment in order to be in good standing with the San Diego Elite Baseball League. Teams determined not to be in good standing will be precluded from participating in future play.

### **League Website:**

The San Diego Elite Baseball League website is located at [www.sdelitebaseball.com](http://www.sdelitebaseball.com). The league schedule, team rosters, sponsors and additional contact information will be available on the website. This information is extremely important to ensure that our league participants receive visibility by National Collegiate Recruiters and Major League Baseball Scouts. Each team is encouraged to solicit sponsors and have them published on the website. Additional sponsorship information can be found at this website.

### **League Schedule:**

The League will schedule 15 games for each team. History has proven that most teams have difficulty playing any more due other events such as CIF Playoff's, Showcases and other tournaments. It will be your responsibility to select playable dates and to ensure your team meets its commitments.

This year's league tournament will be played July 16 – 19, 2010. The winner will receive a birth into the USABF Aluminum Bat World Series. The team's entry fee will be waived for all players listed on your Official League Tournament Roster. Any players not listed on the Official League Tournament roster will be required to pay an event fee of \$50.00. Admission will be charged for the League and World Series events. Adults \$7.00 and Youth \$3.00

The 2010 summer schedule will run from June 5 - July 11, 2010. All teams are required to submit their league participation dates no later than April 1st. The schedule will be published on or about May 1.

### **San Diego Elite Baseball Classic:**

All teams in the league will participate and play a minimum of 3 games. These games count towards your 15 league games, no additional team entry fees will be charged. Admission will be charged. (Adults \$7.00 and Youth \$3.00) Additional non-League teams may participate in this event but will be required to pay the \$550 entry fee. The winner will receive an automatic berth in the AABC Mickey Mantle Regional Tournament. The exact location and date for the 2010 Mickey Mantle Regional Tournament will be announced in early spring.

### **League Championships:**

**Friday July 17 - Sunday, July 19.**

All teams must be in good standing, which includes completion of all games scheduled. Seeding for the League Championships will be determined based on overall league records (win percentage). The winner will receive a berth in the USABF Aluminum Bat World Series. These games are played under USABF tournament format and rules.
